WT200 Windows® Tablet (3G) PDW03A-00L006

Price $1,050.50 RRP AUD (inc. GST)

Overview

The Toshiba WT200 is the tablet that lets you carry your office in your hand.

Powered by Windows® 7 Professional, this super sleek 10.1" business tablet, with its backlit wide-view High Definition display, feels as familiar and light in the hand as a journal whilst possessing the performance and capabilities of a business laptop.

Fully optimised for fleet deployment, the powerful WT200 provides a complete Windows® desktop environment in an ultra-slim tablet format. With its audio out, HDMI® and two USB ports; the WT200 can transform into a complete desktop solution via a dock and extended monitors.

Weighing in at just 800g and measuring 14mm thin, the WT200 includes a 64GB Solid State Drive with 2GB of RAM providing high speed access to business files and multimedia, enabling executives to stay productive, informed and connected anywhere, anytime.

With the included digitiser you'll be able to have pinpoint accuracy in selecting items on the screen and capture handwriting as intended.

Toshiba recommends Windows® 7.
